TUBEMAKERS DN100 PVC-U DWV SNG

AS/NZS 1260 LIC. NO. WMKA 21666 FIJI L4 150220 00

IT'S IN THE PIPELINE

The South Pacific's most trusted manufacturer and supplier of high-quality pipes and fittings.

FIJIAN OWNED & OPERATED

Established in 1986, Tubemakers began operating with a specialised suite of products that catered to the harsh demands of the domestic plumbing market. Over time, we have grown to become the South Pacific's most trusted manufacturer and supplier of high-quality uPVC, mPVC and Polyethylene pipes and fittings.

Our products are successfully used in a diverse range of applications on subdivision, commercial, industrial and infrastructure projects. We recognise the design and installation benefits from the integration of quality componentry to provide innovative, versatile and cost effective solutions.

RELIABILITY

Tubemakers is committed to product and service excellence. Our quality product is backed by an experienced customer service team and established supply chain. We are committed to providing on-time, quality services to our customers no matter how large or small.

INTERNATIONAL

Tubemakers has numerous years of experience in exporting to South Pacific region including New Zealand and has a substantial customer base. Our dispatch team are well trained and ensure that consignments are packed according to the customers' standards.

ENVIRONMENTALLY FRIENDLY

Fiji is renowned as one of the world's most naturally beautiful countries and we are committed to environmentally friendly manufacturing processes. We do not use heavy metals or chemicals that are harmful to the environment.

QUALITY & INNOVATION

Our products are manufactured to AS/NZ standards and have internationally recognised WATERMARK certification.

Our manufacturing processes and management systems are certified to ISO9001.

uPVC PIPES

Lic No. : WMKA 70035

PRESSURE PIPES

Series I

For Use In Potable, Non-Potable Water & Pressurised Sewerage Systems

Size Range:	DN15-DN375
Pressure Range:	PN6, PN9, PN12, PN15, PN18
Colours:	White
Joint Options:	SCJ & RRJ
Standard	AS/NZS 1477

Lic No. : WMKA 21666

DWV PIPES

For Use In Drainage and Non-Pressurised Sewerage Systems

Size Range:	DN32-DN375
Stiffness Range:	SN4, SN6, SN8, SN10, SN16
Colours:	Grey Color Code N11 - N22
Joint Options:	SCJ & RRJ
Standard	AS/NZS 1260

Lic No. : WMKA 70036

STORMWATER PIPES

For Use In Drainage Of Surface And Rainwater Flowing Under Gravity

Size Range:	DN90-DN375
Stiffness Range:	SN2, SN4, SN8
Colours:	Dark Grey
Joint Options:	SCJ & RRJ
Standard	AS/NZS 1254

Lic No. : AMI 74546

ELECTRICAL CONDUITS

For Use In Electrical Cable Installation

Size Range:	DN16-DN150 - Plain Conduits DN20-DN25 - Corrugated Conduits
Classification:	VLD, LD, MD, HD
Colours:	Orange - Buried, covered Grey - Above ground, exposed
Joint Options:	SCJ
Standard	AS/NZS 2053

uPVC PIPES

TELECOM DUCTS

For Use In Telecommunications Applications

Size Range:	DN50 & DN100
Colours:	Green
Joint Options:	SCJ & RRJ

DOWN PIPES

For Use In Rainwater Drainage

Size Range:	80mm
Colours:	White
Joint Options:	Fittings

mPVC PRESSURE PIPES

Lic No. : WMKA 21668

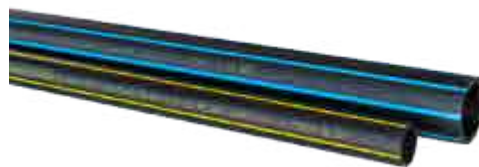

mPVC PRESSURE PIPES

Series I & II

For Use In Potable, Non-Potable Water & Pressurised Sewerage Systems

Size Range:	Series I : DN100-DN375 Series II : DN100-DN300
Pressure Range:	S1 – PN9, PN12 & PN15 S2 - PN12 & PN16
Colours:	Series I : White Series II : Blue
Joint Options:	RRJ
Standard	AS/NZS 4765

POLYETHYLENE PIPES

Lic No. : WMKA 21543

POLYETHYLENE PIPES

For Use In General Pressure and Gas Applications

Size Range:	Rural PE Pipes - 15mm-50mm (Thin/Thick) Metric PE Pipes - DN16-DN110
Pressure Range:	PN6.3, PN10, PN12.5, PN16
Colours:	Black with stripes
Joint Options:	Compression & Electrofusion fittings
Standard	AS/NZS 4130

FITTINGS

PVC FITTINGS

PVC Fittings Compatible With Pipes Manufactured To AS/NZ Standards

POLYPROPYLENE COMPRESSION FITTINGS

Polypropylene Fittings Compatible For Use With Metric Polyethylene Pipes Manufactured To AS/NZS 4130
